

Davina Diaz she/her

First and foremost, I am a proud SEA, WEA, and NEA rank-and-file dues paying member. As your elected SEA Treasurer, I am a dedicated and experienced union advocate with a proven track record in member representation, contract negotiation, and enforcement of workers' rights. As a current full-time Special Education Instructional Assistant at Lowell Elementary, I work daily with my teaching team, to provide the highest level of education, dignity, and safety for our scholars. I ask that you choose me as your DELEGATE to represent at the WEA RA in Spokane, and NEA RA in Portland, OR.

In solidarity,

Davina
