Davina Diaz

for SEA Vice President

LEADERSHIP WITH INTEGRITY, ADVOCACY FOR ALL

I am proud to be the daughter of an SPS special education teacher, a graduate of Nathan Hale, and a special education instructional assistant at Lowell Elementary.

I am honored to be your current SEA Treasurer, and I have served in numerous leadership roles within our union for the past nine years. **I have a proven track record of fighting for racial equity, fair wages, and inclusive policies at the table with our district and within our union.** I have experience with bargaining, contract enforcement, and member mobilization. And as an Educator Support Professional (ESP) for the past 15 years, I know the importance of ensuring all SEA members earn a living wage.

If elected SEA Vice President, I'll drive member engagement and empower new union leaders. Strong relationships and unity are keys to securing the wins we deserve now more than ever. Together, we will build a positive union culture where educators can fully meet our students' academic, social, and emotional needs.
