

Transparency | Empowerment | Fully-Funded Schools

✦ **JEFF PAUL** ✦

For SEA Vice President

- Proud queer educator with 8 years of experience as a para in SPS
- Para Board member and AR for 6 years enforcing our contract to win FTE increases, reduced caseloads, and additional staffing
- Current BLT rep and Racial Equity Team co-chair for 2 years; founded GSAs at two schools (shout out Queers and Peers!)
- MLK Labor delegate for 2 years and first year EPEC member
- Over 10 years of experience as a community organizer mobilizing broad, diverse coalitions to win major grassroots political campaigns

Union power means all of us

Public schools and the communities that depend on them are under attack, and SEA needs to fight back. I'm running to bring **genuine transparency** and **member empowerment** to our union, so you and your fellow educators can plug in, get organized, and win big.

When we fight, we win...

- Smaller class sizes and caseloads
- Reduced systemic inequities for communities of color
- Safer working conditions
- Mental health and behavioral supports for students
- Increased pay for classified staff
- Fully-funded public schools for all!
