

Sanjay Mishra

Hello friends, my name is Sanjay Mishra, and I'm running for SEA Treasurer because I believe that strong finances are the foundation of a strong community. Every dollar we spend, every event we plan, and every opportunity we create depends on how wisely we manage our resources.

I want to bring transparency, accountability, and creativity to the way we handle our funds. My goal is to ensure that every dollar is tracked, every expense is purposeful, and every investment benefits all of us. I believe in open communication, so you'll always know where our money is going and how it's helping us grow.

With 15+ years of experience in finance and operations, I bring organizational skills, attention to detail, and a passion for making a difference. I will make sure our financial decisions reflect our shared SEA values.

This campaign isn't just about numbers — it's about trust, teamwork, and building something lasting together. If you believe in a future where our resources are managed with care and vision, I would be honored to have your vote. Together, we can make every cent count and every goal achievable.

Thank you once again for this opportunity.
