## CANDIDATE STATEMENTS

	<p>and loud. Let's fight for high quality public schools funded by taxing the rich. A better world is possible.</p>
Stephan Kimmerle	<p>As a Special Ed IA, I work at Graham Hill Elementary, K-2 Distinct. I'm running to contribute to our union being the first line of defense against Trump's attacks on immigrants, workers, and disability rights by dismantling the DoE, and the underfunding of education in WA where Democrats hold office at every level. We need to build union power to reduce class sizes and caseloads (in 2014 WA voters demanded 15-17 students in K-3 and 22-25 in 4-12), expand SpEd support, and secure equitable pay for ESPs. WA needs to tax billionaires and large corporations.</p>
Susan Talley	<p>I would be honored to get your vote so that I can attend these conferences. I am excited to learn from other people who are in the same position as I am and who can support the efforts we are using in Seattle.</p>
Vallerie Fisher	<p>Greetings, my fellow Union sisters, and brother's. I'm asking for your vote to be your voice, and representative at our annual state WEA, and national NEA RA.. I'm aware of educators issues, and concerns, and not afraid to speak-up and ask the hard questions. It would be my honor to be your voice again. I ask for your VOTE!</p>
